Charlie Zahm is one of the most popular soloists at Celtic music festivals, Maritime and Early American music events anywhere east of the Mississippi. With a baritone voice some have described as "coming along once in a generation," Charlie has become one of the most successful performers on the Celtic festival circuit, weaving magical moments of Scottish history for the listener and viewer, with passion for the performance and a chosen repertoire pleasing to all members of the family. A master of the guitar as well, Charlie brings an authentic love and respect for the music he sings---and with dashes of humor and a light in his eyes, he will draw you into the stories of his songs!
